

EndoFine® SI

SOIL CONDITIONER

GENERAL INFORMATION

CONTAINS NON-PLANT FOOD INGREDIENTS

EndoFine® SI is a mixture of fibrous naturally occurring soil conditioner and soap that improves soil texture. It also provides improved soil conditions for beneficial microflora e.g. Rhizobium species that promotes healthy plant growth. For irrigated fields, use non-chlorinated natural well water.

LD50 GHS - Category 5

OPPTS - Category IV

Ingredients: Fibrous plant material 100%

APPLICATIONS AND RATES

Inoculate seed using the following recommended rates. Contact supplier for information about mixing other active ingredients.

FOR ALL CROPS:

0.25 to 0.50 grams EndoFine SI supplement per 2.2 lbs. (1 kg.) seed and the appropriate rate of Rhizobium species. Follow Rhizobium label for the recommended use rate with various crop seeds.

DIRECTIONS FOR USE

Seed Treatment: Apply to dry product in drill box, auger application at recommended rates at time of seeding.

Important: **Do not mix or use with liquid fertilizer!** EndoFine® SI is compatible with Rhizobium and Penicillium based products. EndoFine® SI will be viable on treated seed for more than two months if stored in cool conditions (2 to 5°C). Do not apply with insecticides, fungicides, fumigants or pesticides, in general.

STORAGE

Refrigerate at 2 to 5° C: Keep in darkness in original container with lid closed. See “expiration” date on label. Use product within 12 months from date of manufacture.

WARRANTY

Adjuvants Plus Inc. warrant that this product conforms to the description on the label and is reasonably fit for the purposes referred to in the directions for use, subject to the factors noted above, which are beyond the control of the Companies. The Companies make no other warranties or representations of any kind, express or implied, concerning the product, including the implied warranty of merchantability or fitness for a particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Companies for any cause of action relating to the handling or use of this product is a claim for damages and in no event shall damages or any other recovery of any kind against the Companies exceed the price of the product that caused the alleged loss, damage, injury or other claim. The Companies shall not be liable for, and any and all claims against the Companies are waived for, special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income.
